The Palmetto Youth Center accept parade entries based on an overall show of appropriate entertainment value. Understanding that a parade is an entertainment medium, the contribution of each unit to this concept is critical. Therefore, the use of a theme, artistic beauty, use of color, originality, rider personnel, costumes and visual appeal all come into play in determining the acceptability of the entry. The safety of parade participants and spectators is our primary concern. This is our goal and your cooperation is anticipated and appreciated. Each entry and participant is subject to ***immediate dismissal*** from the parade and for any action or actions deemed to be in violation of the parade rules or deemed to be an unsafe action or activity.
